Product Description

Gravely Aggressive Tread Pattern Rear Tire Kit 791089

The aggressive tread rear tire is an ideal option for zero turn mowers and turf applications. In addition, this tire has a wider footprint which ensures high floatation for minimal compaction and a smoother ride. This tire pattern also reduces slippage, even on hill sides, to help eliminate scuffing of the turf.

• Fits Gravely ZT HD, PT Z, PT ZX, Ariens Apex, and Zenith models

• Kit includes two rear aggressive tires

22X11.00-10 - Fits 48", 52", 60" ZT HD models
